Do not send to the RTA-give this form to the tenant/s-keep a copy for your records.

Tenant/s are given this notice when the property owner/manager, or another authorised person (secondary agent) wants to gain entry to the property on a particular date.

If the property is being sold, the notice must be given to the tenant/s by the agent selling the premises (secondary agent). In this case, a copy of the form must also be given to the renting agent.

A secondary agent (which may also include an agent's nominated repairer) must show the tenant written evidence of their appointment, if asked, before entry can take place.

If the tenant/s disputes the grounds for entry, they should try and resolve this with the person who issued the notice.

If agreement cannot be reached, the RTA's dispute resolution service may be able to assist.
